From the Editor's Desk

Greetings!!!

In the very beginning of New Year, it gives me immense pleasure to bring you all 5th Volume, January 2024 issue of NEWSFLASH. The journey of NEWSFLASH started in last year and it actually succeeded to highlight the campus activities.

This newsletter is a showcase of the activities of AIMS and AINS. And during the previous year we did remarkable activities. We succeeded in redefining educational boundaries and bridged not only the learning gap but also conducted our year-round curricular and co-curricular events in past year.

Students of AIMS and AINS shined bright in their final year Universities results. We did so many community based activities to help people, to increase health awareness. Students participated and won trophies in various conferences, sports events and other competitions. There were in- campus celebrations for the students, like Navratri celebration, Diwali celebration, Graduation ceremony, Annual Function, Candle lighting ceremony, Welcome programme and farewell parties etc.

Most importantly, I am happy to write that we are upgrading and coming with NEW VERSION of our Campus, having new smart classrooms with advanced audio visual systems, well designed offices & canteen!!!

Best wishes and Happy new year!

SUCCESS POEMS

Success is counted sweetest

- Success is counted sweetest.
- By those who ne'er succeed.

In the company of eagles

- Mountain for my mansion.
- The forest for my pantry.

Tell all the truth

- Tell all the truth but tell it slant.
- success in circuit lies.

Life and daffodil

- A lifelong process.
- That lifelong obsesses.

Emotional bursts

- All of sudden tears roll out.
- No reason what so over and nothing about.

Graduation Day

- Graduation day is the climax of a dream.
- A parental dream that began when a child is born.

Lines of success

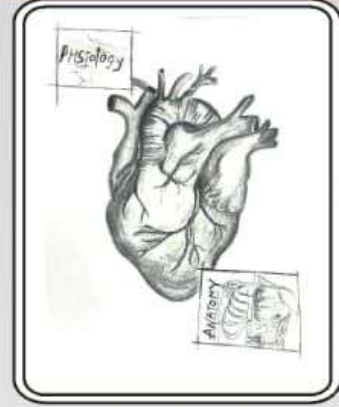

- Essence holds its dream entire.
- Strengthens hope true into fire.

A smile

- A smile is a frown turned upside down.
- A smile is printed on the face of a clown.

ALKALINE WATER : AN INTRODUCTION & BENEFITS

Introduction :

Water is an essential nutrient for life and hydration plays a critical role in human physical performance as well as intake prevention of chronic diseases. Water is a combination of hydrogen and oxygen (H₂O) . Water's pH level determines how acidic it is ranges from PH 0 to 14. A pH of 7 is considered neutral or balanced between acidic and alkaline. It is higher than 7 pH, it's "Alkaline".

How is Alkaline water originate?

There are two types of alkaline water : Natural and Artificial alkaline water

Natural alkaline water: Natural alkaline water Spring water flows over porous rocks, it can pick up a range of organic alkaline water (pH between 7 to 8.5)

Artificial alkaline water : Artificial alkaline is water that is been through a chemical process called electrolysis. (pH between 8 to 11) Alkaline water ,also known as alkaline ionized water.

Health Benefits :

According to the world wide web, Benefits of alkaline water are :

To improve hydration status , reduce acid in the bloodstream , aid health digestion , slow aging , reduce bone loss ,suppressing radical production, and good for skin. Some scientific research has also suggested that alkaline water help to decrease high sugar , blood pressure and cholesterol.
